

Mindstalkers - Mission: Middle Ages v.2.0. - "Hailing Ammo" Template for Culverin

Print this sheet in A4 Landscape format (orizzontal) with NO size reduction, the cut the shape along its edges.  
If you want to make it more resistant, glue it on a thin cardboard sheet with glue for paper.

To be sure you obtained the right size, after printing this sheet place a rule (with the scale in centimetres) beside this "control scale": if they perfectly matches, you have the right size, otherwise you have to set up differently your printer to get the right size of the sheet!
